

BARRICK GOLD ADDS GRANNY SMITH TO PIE CONTRACT

pieNETWORKS Ltd (ASX:PIE) is pleased to announce that Barrick Gold Corporation (NYSE: ABX)(TSX: ABX) has ordered additional managed internet access equipment and services for Barrick's operations at the Granny Smith mine in the remote Yilgarn South operations 370 kms north of Kalgoorlie in the Western Australian goldfields.

In addition to units already installed at Barrick's Lawlers and Darlot mines three of pieNETWORKS' G6 kiosks will be installed at the Granny Smith mine for employees to connect directly to the Internet via a Telstra NextG broadband wireless service. Employees pay a nominal fee to access the internet and access the company's internal network without charge using a secure log in on the kiosks.
