

FIRST 10 WEBPHONES BUILT

pieNETWORKS Ltd is pleased to announce that the first production run of 10 second generation Hotspot Webphones have come off the assembly line at Startronics' Balcatta factory. The Webphones will now be shipped to New Zealand for installation in Westfield's New Zealand shopping centres.

A further 40 Webphones, also destined for Westfield's New Zealand shopping centres, will come off Startronics' assembly line by the end of August.

Images of the assembly line are attached.
